

# LIGHTWEIGHT AND SLEEK BROCHURE STAND

4 Brochure consists of brochure pockets on a transparent fabric. The stand rolls up easily and is transported in a practical and discreet bag. The system is built on the same principle as the 4 Screen display system, making it highly stable and user-friendly. It weighs only 1.6 kg.

The clever design, with only three parts, makes the 4 Brochure exceptionally easy to assemble. Choose between four or eight pockets.

To take the system down, simply detach the supporting rod and foot and roll the fabric up.
